**Statement of VOC in Coating**

The method for the determination of VOC levels of the listed products is detailed in South Coast Air Quality Management District (California, U.S.) – Rule 1136 (Wood Products Coatings)

<b>Product</b>	<b>Description</b>	<b>VOC content</b>
4510	AQUAOIL Omega	110 g/L

Note: The VOC levels have been determined by the calculation method. The information used is based on supplier information (e.g. MSDS and Datasheet) for the ingredients and our own formulation of the coating. The VOC content above is the maximum VOC exclusive of water and exempt compounds.
